SECTION A

AGREEMENT GUIDE AND KEY TERMS

We recognise that moving into a care home is a significant decision. Our aim is to assist you in making the right choice by making the terms upon which we provide care and accommodation clear and transparent. We will be entering into an agreement in which both parties will have rights and obligations. In our Terms and Conditions we have attempted to set out in plain English those rights and obligations.

You will have been provided with our '**Key Information**' and '**Further Information**' fact sheets which sets out information that we consider is important to share with you to assist you making an informed decision about whether you want to move into our care home. These Terms and Conditions include and expand upon the information set out in those fact sheets.

The Terms and Conditions form part of the Agreement. By signing the Agreement you are entering a legal agreement. We therefore advise that you review both the Agreement and Terms and Conditions carefully and seek independent legal advice should any issue be unclear.

KEY TERMS

In the Terms and Conditions we have highlighted in blue the "Key Terms". We draw your specific attention to the following key terms and advise that you consider these carefully. Please note the following points are a summary only and you are referred to the full Terms and Conditions.

TRIAL PERIOD: (Clause 5) You are entitled to a trial period of 28 days (or longer if agreed with the Home Manager in writing). During this period you may terminate your placement on 7 days' written notice to the Home Manager.

FEES and FEE REVIEWS: (Clauses 6 – 8) The fee payable is set out in the Agreement for the Provision of Care Services ('the Agreement') and the Statement of Fees set out in Appendix 1 to the Agreement. Our range of fees is set out in the Key Information fact sheet. Fees are payable 4 weeks in advance. The services covered by the fees include standard care, accommodation, food, laundry, utilities and a range of activities. We are able to provide additional services which are charged at additional cost. Staff escorts to appointments are additional services and charged at additional cost. Payments towards your fees made by any other funding body (Local Authority/NHS) will be deducted from the amount you are required to pay. However, you remain liable for the total fee. If your needs change and you require a higher level of care/different level of care the fees charged may increase. Fees are reviewed annually or more frequently if there is a change in your needs or if there is a significant legislative change that impacts upon our costs and are subject to change. We may undertake an assessment of your ability to pay our fees and may require that you have sufficient funds to pay our fees upon admission. We will provide you with 28 days' written notice of an annual fee increase.

CHANGES IN FUNDING ARRANGEMENTS: (Clause 9) If you become eligible to receive state funded assistance towards the cost of your fees or indeed in full payment of your fees, the amount/contribution you receive may not meet the whole amount of our fee and you or a family member may be required to meet the shortfall. If you are unwilling or unable to meet the shortfall, we may have to terminate the placement.

GUARANTOR: (Clause 9) If you are unable or unwilling to provide evidence of your financial means demonstrating that you are able to meet our fees we may request that someone acts as a guarantor. The guarantor will be required to enter into a formal agreement in which they guarantee to pay our fees should you fail to do so. If the guarantor is unable to pay we may have to commence court proceedings to recover the sums due and further we may have to terminate this agreement.

THIRD PARTY TOP UP AGREEMENT: (Clause 9) If you become eligible for local authority funded assistance the amount that the local authority pays to us may not meet our total fees. If this is the case we may require that a third person, (usually a family member) agrees to pay a top up fee. A formal agreement will be entered into between the third party and the local authority. The third party should be aware that they will liable to pay this fee throughout the period of your residency whilst your fees continue to be paid by the local authority. Default by the third party may result in you being having to leave the Home.

ADDITIONAL FEE FOR SUPERIOR STANDARDS/SERVICES AGREEMENT: (Clause 9) If you become eligible for NHS Continuing Healthcare Funding, all of your healthcare and social care needs will be met by the NHS. The CHC fees pays for the care and accommodation required to meet your assessed care needs. If you choose or we provide a higher standard of accommodation than required to meet your assessed needs' you may be required to pay an additional fee for the higher quality accommodation and/or additional services provided.

FIRST PARTY TOP UP AGREEMENT (12 WEEK PROPERTY DISREGARD): (Clause 9) When entering a care home for the first time a local authority may undertake a financial assessment to determine if you are eligible for state funding. During the first 12 weeks of your placement the local authority will disregard the value of your property in determining whether you are eligible to receive state funding. If the local authority assesses that you are eligible to receive state funded care or a contribution to your care costs, the amount that the Local Authority may agree to pay may not cover our full fees. In this situation you may be required to pay a Top Up to meet the full cost of our fees. This is known as a 'First Party Top Up'.

FIRST PARTY TOP UP – DEFERRED PAYMENT AGREEMENT: (Clause 9) If you have a property to sell a local authority may enter into a Deferred Payment Agreement with you whereby it agrees to meet the costs of care until such time as your property is sold and you will repay to the local authority fees paid on your behalf. The Local Authority may not agree to pay the full amount charged under this Agreement. In this case you may be required to pay the difference. This is known as a 'First Party Top Up'.

TERMINATION: (Clause 10) Either party may terminate this Agreement by giving the 28 days' notice in writing following the trial period (during which the Notice Period is 7 days). Shorter notice of termination can be given by us if; sums due under the Agreement are not paid, we

are unable to meet your needs or if your behaviour or the behaviour of a relative or visitor is unreasonable and places you, other residents or our staff at risk of harm.

INSURANCE: (Clause 11) The Company's insurance policy covers your logged personal effects to the value of £250 (except cash and high-risk items including jewellery, hearing aids and dentures. Each claim is subject to a £50 excess which will be paid by you.

TEMPORARY ABSENCE: (Clause 18) If you are temporarily absent from the Home we will keep your room available for you. During this period we will continue to charge our full fee. If your absence becomes prolonged (over 8 weeks) and you wish us to keep your room we will review our fees to consider if we are able to offer a discounted fee. However, it should be noted that our core costs; for example; staff, mortgage, utilities are fixed costs which will not reduce if you are absent from the Home.

COMPLAINTS: (Clause 20) If you are unhappy with any aspect of the service you have the right to complain. We have a robust complaints' process, the details of which are set out in our complaints policy. If you have cause to complaint this will not affect your care and treatment and rights under the Agreement.

VARIATION: (Clause 22.5) We reserve the right to vary the Terms and Conditions of the Agreement in order to be able to deliver an effective and efficient service. If we vary the terms we will always act reasonably. Variations will be made in writing and 4 weeks' notice will be given.

LASTING POWER OF ATTORNEY: (Clause 21) If in the future a Resident no longer has the mental capacity to manage their affairs, they may need a representative appointed. Not having a Power of Attorney appointed can impact upon your ability to pay your fees and meet your obligations under this Agreement. We therefore require that you arrange for the appointment of a Power of Attorney to manage your financial affairs in the event that you are no longer able to.

2. PHILOSOPHY OF CARE

2.1. The Company will try to provide a comfortable and happy home and hopes that its residents will enjoy living at the Home. The Company, the staff and management within the Home will do everything possible to respect residents' rights, particularly by observing the values of privacy, dignity, independence and choice which can be threatened by living in a communal environment and having to cope with disabilities. The Company recognises that providing good care is a co-operative process and it will attempt to consult its residents and, where appropriate, their relatives, friends and representatives at all times and as fully as possible. This document should be read and interpreted in light of these principles.

2.2. The Company aims at all times to comply with the Fundamental Standards and regulatory requirements within the Home.

3. RIGHTS OF RESIDENCY/ROOM ALLOCATION

3.1. Residency in the Home does not constitute any tenancy nor an assured tenancy under the Housing Act 1988 and does not create or infer any right to security of tenure. The Resident will be allocated a room on admission which they will occupy as a licensee only.

3.2. The Company would not normally ask a Resident to move from one room to another; however, we reserve the right to relocate a Resident at any time to ensure we are able to deliver effective and efficient care services in line with assessed needs. The Company will undertake to provide a reasonable period of notice of such relocation and will discuss reasons with the Resident and their representative unless there are exceptional circumstances which require an urgent move. If such a move is unacceptable to the Resident or the Client, then they have the right to terminate the Agreement with immediate effect without penalty.

3.3. The Company shall have, and requires, full, free and unrestricted access to the room in order, amongst other things, to provide the services referred to in this document.

4. HEALTH

4.1. On acceptance of their residence at the Home, a care plan will be prepared to outline the management of the Resident's care. The Resident (or where appropriate), their

appointed representative/relative(s) will be invited to state what they want from their care and will be advised as to how we will endeavour to meet these objectives.

4.2. The Company will comprehensively assess and document the Resident's health needs. Care will be provided in accordance with that assessment to ensure that the Resident's needs are met including:

- Maintaining personal and oral hygiene
- Identifying pressure sores or the risk of developing pressure sores and undertaking appropriate preventative action.
- Supporting Residents with continence in accordance with their NHS continence assessment.
- Monitoring mental health.
- Ensuring that the necessary aids and equipment are provided and used.
- Providing appropriate opportunities for exercise and physical activities.
- Identifying and acting on any risk of falling.
- Regularly assessing and acting on Resident's nutritional needs including monitoring weight gain or loss.
- Enabling the Resident to register with a GP and dentist of their choice, subject to the GP and dentist's agreement.
- Facilitating access to specialist medical, nursing, dental, pharmaceutical, chiropody and therapeutic services, and hospital and community health care as required.
- Ensuring access to hearing tests and sight tests and to appropriate aids.
- Providing information and/or signposting for advice about entitlements to health care.
- Informing the Resident's next of kin or representative of serious illness or death.

The above list is not exhaustive and the Company will discuss with the Resident and/or their representatives their health needs and access to health care.

5. TRIAL PERIOD

5.1. The Resident will be entitled to a trial period on first being admitted to the Home. This will be for a period of 28 days from the date of admission or for such other period as shall be agreed in writing between the Home Manager and the Resident.

5.2. Notice of one week will be required from either party to terminate the Agreement during this trial period.

5.3. All fees as prescribed in clause 6 are payable during this period.

6. FEES

6.1. The Fees payable for the provision of services are set out in the Agreement and the Statement of Fees at Appendix 1.

6.2. Fees are payable from the date when we are informed by the Resident (or on their behalf by their appointed representative/relative) that they wish to come to the

Home and we hold a place for them unless otherwise agreed with the Manager in writing.

6.3. Unless otherwise provided for within this Agreement, all fees payable under this Agreement remain the liability of the Client.

Services Included in Basic Fee

6.4. Unless otherwise stated, the fees charged under this Agreement for the services provided hereunder include:

- staffing the Home on a 24-hour basis and providing care and support to meet the Resident's needs (excluding enhanced care, for example, one to one support) as assessed at the time of admission,
- accommodation,
- full board, including snacks,
- cleaning of rooms,
- activity programmes,
- periodical decorating of the Resident's room,
- the provision of professionally qualified nursing staff (where the Resident is admitted as a nursing Resident),
- a reasonable choice of menus (including special diets),
- the laundering of bed linen and personal clothing not requiring dry cleaning.

Fees for Enhanced Care

6.5. Fees do not cover any enhanced level of care (including additional needs and one to one care) unless expressly provided in the Statement of Fees. Some Residents will at the time of admission or during the period of their residency require enhanced levels of care, for example one to one supervision or care. If enhanced care is required (including one to one care), an additional fee will be charged calculated on the basis of the enhanced level of care that is required.

6.6. If the Resident has been assessed as requiring enhanced levels of care before admission our additional fees charged will be set out in the Statement of Fees.

6.7. If the Resident's needs change requiring enhanced levels of care the Company may increase the fees in order to meet this enhanced level of care. An assessment of need will be undertaken before the fees are increased.

6.8. We will use our reasonable endeavours to provide the Client with 7 days' notice in the event that enhanced levels of care are required. Enhanced levels of care will only be initiated without 7 days' notice by the Company in the event that this is required in order to protect the Resident, other residents or staff from the risk of harm. In this case we will give the Client prior notice of the increase in fees. If you do not wish to pay the fees for the enhanced levels of care you can terminate this Agreement without penalty with immediate effect.

6.9. The Additional Services listed below at Clause 8 are not included within the fees and are available to Residents at an extra charge. The details of these extra charges will be provided upon request and before the Additional Services are provided.

Funded Nursing Care Contributions from the NHS

6.10. If the Resident requires nursing care, the CCG will assess whether you are eligible to receive Funded Nursing Care (FNC). FNC is a payment made by the NHS to the Resident towards the costs of nursing care provided by a registered general nurse. If the CCG has assessed that you are eligible for Funded Nursing Care (FNC) and agrees to pay this direct to the Home this will be deducted from the **Total Fee** set out in Appendix 1 and you will be charged the net amount. The Client will however remain liable for the **Total Fee** in the event that FNC funding is withdrawn or if the CCG defaults on payment.

Payment of Fees

6.11. Fees are payable four-weekly in advance. The Client will be issued with an invoice for such fees. All accounts must be settled on presentation of an invoice.

6.12. If written notice to terminate this Agreement has been given by the Company or by the Client in accordance with the terms of this Agreement, then any fees paid in advance to the Company (insofar as those fees cover a period that is in excess of the required notice period) will be apportioned on a pro-rata basis and reimbursed to the Client save for any deductions made in accordance with the Terms and Conditions set out herein.

6.13. Fees are to be paid by Standing Order unless otherwise agreed in writing with the Home Manager.

6.14. Any amount due within the terms of this Agreement and not paid to the Company on its due date will bear interest from the due date to the date of actual payment at a rate of 8% above the Bank of England Base Rate at the prevailing time. Interest due must be paid together with the amount of arrears in question.

6.15. The Company is entitled to recover all legal fees and other expenses incurred in pursuing payment of any overdue fees and other sums payable under the Agreement that are not paid in accordance with these terms and conditions.

7. FEE REVIEWS

7.1. The fees that the Company charge are calculated taking into account a number of factors. As an independent provider in order to comply with regulations we must ensure that we are financially viable. There are a significant number of external factors that influence our costs and consequently the fees that we charge. For example, the rates that the NHS pay nurses can impact upon the rates that we are required to pay in order to recruit the best staff, the amount the local authority and CCG pay for state funded residents can impact upon our revenue and the fees that

we have to charge. The Company uses its reasonable endeavours to ensure the basis for any increase in fees charged is reasonable and transparent.

7.2. The Company will carry out a review of its fees annually, or more frequently if one of the events set out in clause 7.5 below should arise.

7.3. The Company's annual fee review takes place in November.

7.4. The Company's fees increase will be based upon four elements:

7.4.1. The Retail Price Index (RPI) of inflation.

We will take into account RPI rate of inflation for the 12 months concluding the November preceding the fee increase and forecasted for the next 12 months.

7.4.2. Staff Costs

We will take into account sector costs including increases in recruitment costs, wages, agency costs and other staff costs associated with legislative requirements (i.e. changes to minimum wage or pension contributions).

7.4.3. Sector specific costs

We will take into account costs that are applied to the care sector including, increases to registration fees, additional costs of compliance with regulatory and legislative requirements.

7.4.4. Local Authority and CCG Fee Rates

We will take into account our revenue received from residents who are in receipt of state funded care.

7.5. In addition to annual fee reviews the Company will carry out a review of its fees if one of the following situations arise:

7.5.1. There is a change in the Resident's care needs;

7.5.2. There is a change in any legal requirements to which the Company is subject and which will lead to an immediate increase in the Company's costs;

7.5.3. There is an increase in the level of FNC paid by the CCG to reflect the increased costs in providing nursing care.

7.6. Save for where there is an urgent need to provide enhanced levels of care as set out in clause 6.5 above, the Company will notify the Client at least four weeks in advance of any increase in the Company's fees (insofar as this is practicable) or as soon as is reasonably practicable.

7.7. In circumstances where there is an urgent need to provide enhanced levels of care immediately to avoid harm we will provide you with immediate notice of any fee

increase the additional care will entail. If you do not agree with our decision we will liaise with relevant independent professionals and provide you with the opportunity to leave without penalty when the fee increase takes effect.

8. ADDITIONAL SERVICES

8.1. The Additional Services listed below are **not** included within the fees and are available to you at an extra charge. The details of these extra charges will be provided upon request and before the additional services are provided.

8.2. Any Additional Services will be paid for by the Home and then re-billed to the Resident/their appointed representative or deducted from the Resident's pocket money at cost.

9. CHANGES TO FUNDING ARRANGEMENTS

Eligibility for Local Authority Funding

- 9.1. During the period of your residency circumstances may arise that lead to a change in the Funding Arrangements. If the Resident is not eligible for Local Authority financial assistance at the time they enter into this Agreement, they may become eligible in the future. It is therefore important that the Client makes themselves aware of the criteria for Local Authority financial assistance and that we are able to establish at the beginning of this Agreement how long the Client will be responsible for meeting the Company’s fees out of the Resident’s/Client’s own financial resources. The Company at its discretion may therefore require details of the Resident’s financial status as set out in Appendix 2. All financial information which is provided to us will be kept strictly confidential.
- 9.2. If the Client is unwilling to provide details of the Resident’s financial resources or if the Company determines that the Resident’s financial resources are insufficient to pay the Company’s fees for a minimum of three years or in any other circumstances as may be determined by the Company, the Company at its discretion, may require a Guarantor Agreement to be entered into as set out in Appendix 3. The Guarantor will be responsible for meeting the fees if the Client fails to pay the fees due under this Agreement. The Guarantor will be given reasonable notice of the amount of any payment(s) due as they arise, together with an invoice for payment as soon as practicable. We will use our best endeavours not to allow arrears to build up without notifying the Guarantor.
- 9.3. The Client remains liable for the fees agreed in this Agreement until the Agreement has been terminated. It is therefore important that the Client regularly reviews their financial position so that an application for Local Authority funding can be made in advance of the Client falling below the financial banding when assistance is available.
- 9.4. The Client agrees to provide the Company with 3 months’ prior notice of the Resident becoming eligible for Local Authority funding.
- 9.5. If the Resident becomes eligible for Local Authority financial assistance, this Agreement will need to be terminated in accordance with the termination provisions

set out in clause 10 and a new Agreement will be entered into between the Company and the Local Authority covering the new financial arrangements. The fees we charge may be higher than the fee rates which Local Authorities will pay. If the Resident becomes Local Authority funded, it may be necessary for the Company and/or the Local Authority to enter into a separate Agreement with a third party (typically a family member) to meet the shortfall between the amount the Local Authority pays and our fees. This is referred to as a Third-Party-Top-Up. The Client should be aware should there be a shortfall in fees, if a third party is not prepared to enter into a Third-Party-Top-Up to meet this shortfall, the Company may have to terminate the placement.

- 9.6. A Third-Party-Top-Up agreement should be arranged through the local authority. Before agreeing the Third-Party-Top-Up the local authority is required to consider whether it should meet the full cost of your placement. If the local authority does not provide its authority to a Third-Party-Top-Up Agreement, the Company may have to terminate the placement. If the third-party defaults on the Top-Up payments the Company may have to terminate the placement.

Eligibility for Continuing Health Care Funding or Funded Nursing Care

- 9.7. If the Resident is admitted as a residential resident and the Resident's needs change, we will undertake a reassessment to determine whether the Resident requires nursing care. This may result in an increase in the weekly fee we charge to reflect the higher level of care provided.
- 9.8. If we consider that the Resident requires nursing care, we will request an NHS assessment to determine whether you are eligible to receive Funded Nursing Care (FNC) or Continuing Health Care (CHC).
- 9.9. If you are assessed as eligible to receive Funded Nursing Care (payment by the NHS of the costs of care provided by a Registered Nurse) this may not cover the full increase in our fees. This is because residents who are assessed as requiring nursing care may also have higher personal care needs or because not all of your care needs can be met by the (FNC) contribution made by the NHS. We will notify you highlighting the additional care needs and additional costs that you may be liable for. We shall give you 28 days' notice of any changes to the fees that will be charged.
- 9.10. Should the Resident's care needs change, so that nursing care requirements become their 'primary care need', the Resident may become entitled to NHS Continuing Healthcare (CHC) funding. This is where the NHS will pay the full cost of meeting the Resident's care needs. The fees that the NHS pays for NHS Continuing Healthcare is an amount that they deem sufficient to meet your assessed care needs. This may be less than our fees. This is because the quality of accommodation and non-healthcare services that the Company provides are of a higher standard than that which is required to meet your assessed needs. The additional fees that we charge are to

reflect the higher standard and quality of accommodation, better facilities, and additional services.

- 9.11. If the NHS does not agree to meet our full fees at the time the Resident is determined to be eligible for NHS Continuing Healthcare funding, the Company may make an additional charge to cover its additional costs of providing this higher standard of accommodation and any additional services which the Resident may be receiving which go beyond those which are necessary to meet your assessed care needs. This fee will be met by the Client. At the time when we are informed of eligibility for NHS Continuing Healthcare funding, you will be informed as to the amount of these extra charges. Once these fees are set, it will be necessary at that time to enter into a new agreement detailing these charges and the funding arrangements to cover them. You should be aware that if you are not prepared to enter into an agreement to pay the difference in fees and an alternative fee tariff or accommodation is not available to suit your situation, the Company may have to terminate the placement.
- 9.12. In some circumstances a Local Authority or the NHS may retrospectively determine an individual to be entitled to Local Authority financial assistance, FNC or NHS Continuing Healthcare funding. Should this happen the Client will remain liable for the full fees charged under this Agreement up until the time when this Agreement is terminated and a new agreement entered into between ourselves and the funding body. If the rates the Local Authority or NHS agree to pay are lower than those that we charge, the rates under this Agreement remain payable until this Agreement is terminated. Any refunds will be made to the Client by the Local Authority and/ or NHS. The Company will not be liable for refunding any sums paid under this Agreement.

Twelve Week Property Disregard

- 9.13. When undertaking a financial assessment to determine eligibility for local authority funding a Local Authority will disregard the value of the Resident's property for a period of 12 weeks. This may result in the Local Authority meeting all or contributing to the costs of the Resident's care during this period. If the rates the Local Authority agree to pay during this period are lower than the fees we charge, you may be required to meet any shortfall. This is called a 'First Party Top Up'.

Deferred Payment Agreement

- 9.14. If you have entered into a Deferred Payment Agreement with the Local Authority, the Local Authority will pay the costs of your care until you have sold your property. We expect the Council to pay the full fee charged to a private resident entering our care. However, if the rates the Local Authority agree to pay during this period are lower than the fees we charge, you may be required to meet any shortfall. This is called a 'First Party Top Up.'

10. TERMINATION

Termination on Death

- 10.1. This Agreement will terminate immediately on the Resident's death. In such circumstances, the Company's fees may be charged for up to three days following the

Resident's death to enable the room to be cleared. If the room is not cleared the Company will continue to charge fees for a maximum of 5 days, following which personal possessions will be removed from the Home and placed in storage. Storage charges of £20 per day will be met by the Client.

- 10.2. If your relatives or representatives would like access to your room beyond the period set out clause 10.1 above, within 5 days following your death they may seek an extension in writing, setting down the longer period ("the longer period"), which we will not unreasonably refuse. Fees will remain due for the longer period. If at the end of the longer period, the room is not cleared of your personal possessions, we will clear the room and store items. There will be a reasonable storage charge of £20 per day.
- 10.3. If the room is occupied by a new resident during this period fees will not be charged.
- 10.4. If personal possessions have not been collected after a month following the Resident's death, or the expiry of any longer agreed period we will provide 14 days' notice to the Resident's estate of our intention to dispose of the belongings. Any costs associated with the disposal will be charged to your estate and any money obtained, if belongings are sold, will be credited to your estate.

15.2. If the Resident wishes to self-administer all or some of their prescription or non-prescription medications and treatment creams then an assessment of their capability to self-medicate will be undertaken at the time of admission. If the assessment indicates that self-medication is appropriate, the Resident will be asked to sign an

agreement recording the decision and from that point the Company accepts no responsibility and will have no liability in such circumstances unless due to any act of neglect or default on the part of the Company or its agents or an employee of the Company. This agreement, when signed, will be placed in the Resident's care file. The Company will review the assessment on an ongoing basis. The Home will be responsible for ensuring you receive your medication from the pharmacist on a regular basis.

15.4. In the event that a Resident who has not signed a self-medicating agreement wishes to self-administer any non-prescribed medications and treatment creams e.g. paracetamol, the Resident should inform the Manager or nurse in charge before doing so and the Company accepts no responsibility and will have no liability in such circumstances unless due to any act of neglect or default on the part of the Company or its agents or an employee of the Company.

Such a request will only be refused by management if it would deem to place the Resident or other Residents at risk. Any decision will be discussed with the Resident.

16.11. All the Resident's personal possessions must be removed from the Resident's room within three days after the Resident's death or in the event of the Resident's moving from the premises immediately on the Resident's departure from the Home.
