SPECIALISED CARE & RESIDENTIAL SUPPORT

Situated in the Denton area of Newcastle upon Tyne, Brooke House is a prominent facility offering stunning views of the Tyne Valley. This is a 50 bed specialist accommodation that provides care for the elderly requiring dementia & general nursing care.

Brooke House has individually decorated ensuite bedrooms with spacious communal areas such as lounges and dining facilities. Each bedroom is equipped with LCD televisions, internet access, state of the art lighting and telecare systems.

Social care is one of our highest priorities. Our focus is on providing an engaging, stimulating, friendly and safe environment, for all of our residents.

Our home has been designed with inspiration sought from Stirling University who are renowned experts in the field of dementia care, thus enhancing both practical and user friendliness. With appropriate floor planning, Brooke House has become not only a stunning facility but a habitat that supports the individual with memory problems to be as independent as possible. Enabling care is individually tailored to meet identified needs and wishes whilst also supporting choice and preference. Care is always delivered in a manner that supports the privacy and dignity of the individual, while providing safe engaging and stimulating

environment. Our menus are carefully planned and provide meals that are home cooked, predominantly sourced from fresh local ingredients, nutritionally balanced and varied, whilst always offering choice.

We also offer a range of services at additional cost; these include hairdressing, chiropody, podiatry, physiotherapy and dental care.

Our team of staff are the key to delivering the highest standards of care at Brooke House. As a company we encourage and support the personal and professional development of our staff members to equip them with the skills required to deliver the highest standards of care.
