A JUMP OF BRAVERY

Alice Cook, a member of the team at Belle Vue Sunderland took the leap of faith recently and took part in a Sky Dive to help raise money for the wonderful St Benedict's Hospice in memory of her late grandfather. Alice has raised nearly £1,000 for the charity, what a great effort, well done Alice!

A DAY AT THE RACES

Residents at Melton House enjoyed a day at the races during the summer. They held a Ladies Day within their lounge which overlooks Gosforth's racecourse, including a buffet and glasses of wine to cheer the horses along as they rode past the balcony. What a fabulous occasion for all!
