PRESTWICK CARE

SPECIALISED CARE & RESIDENTIAL SUPPORT

Hadrian House is situated in Wallsend, East of Newcastle. Overlooking the local golf course, and set in beautifully landscaped gardens, the home offers modern, tastefully furnished, welcoming and homely spaces for living, rehabilitation or relaxing.

Hadrian House provides general nursing care, Dementia nursing and Dementia residential care to the elderly. Spread over 3 floors the home has been designed and purpose-built to provide the very best in specialist care within the North East. Each of the 50 single en-suite bedrooms have been beautifully furnished with carefully selected bespoke fabrics and carpets, giving residents the perfect backdrop to personalise their rooms and make Hadrian House their home.

All of the bedrooms feature en-suite facilities, with specialist furniture and mobility aids where required to ensure the comfort and wellbeing of our residents. LCD televisions and unlimited internet access are provided as standard.

Residents can relax in the privacy of their bedroom or in any of the homes communal lounges which offer a range of formal and informal spaces to chat with other residents, family or friends and participate in activities or celebrations. Hadrian House has lounges and dining rooms on each floor, giving residents plenty of space to socialise, relax and participate in activities throughout the home.

There is lift access to all floors and additional outdoor space is provided on the roof terrace overlooking Wallsend Golf Course and gardens, where residents can relax in the fresh air without leaving the upper floor.

We understand the importance of independence and encourage our residents to participate, where possible, in the many and varied activities which take place at Hadrian House. Activities include gentle exercise, cinema nights, carpet bowls, art classes and music, as well as celebrations for our residents and their families. We also offer a range of services at additional cost; these include hairdressing, chiropody, physiotherapy, dental care and podiatry.

We work closely with everyone involved in the care and welfare of our residents, from family and friends to GP's, carers, external professionals and nutritionists to meet the demands of our commitment to providing high quality care.

FEATURES

“

When we are at our most vulnerable in life, what is required of others is understanding, compassion and dignified care. We believe in providing all of these as core elements of the Prestwick Care service.
