OPENING OF BEDE HOUSE CARE HOME

In December 2021, we announced the opening of our new care home, Bede House, located within the coastal village of Ryhope, opposite St Paul's Church.

As a platinum facility, the home is developed to a luxurious standard. Comprising 66 bedrooms, Bede House is built over 2 floors, and is situated within its own beautifully presented, landscaped gardens which provides various seating and activity areas including a greenhouse.

A huge well done to Bunty Malhotra, the projects team and the Bede House team for the successful opening of the new platinum care home.

CHARITY OF THE YEAR 2022

We are thrilled to announce our nominated Charity of the Year for 2022 in Tyneside & Northumberland Mind.

We are truly looking forward to another year of fundraising for a fantastic, local charity with lots of events planned throughout the year both internally and through the charity themselves.

Last year, the Malhotra Group raised an amazing £10,500 for Daft as a Brush Cancer Patient Care and we hope to continue the success this year too.
